ACCESSORIES SUPER CUB

Comfort

USB CHARGER

08E70-K0G-J60

Type-C USB standard allowing connection in every direction. The connected device is automatically identified for optimal charging.

PRODUCT DETAILS

- Maximum output: 5V / 1,5A (7,5W)

GRIP HEATER

08T70-K0G-J60

Slim heated grips that focus on the most cold-sensitive area of the hands. The integrated circuit protects the battery from draining.

Note: Cannot be installed at the same time with Honda's genuine USB socket (Type-C).
